A FULL ASSORTMENT

OF

LANDERS, FRARY & CLARK'S

CELEBRATED

TABLE CUTLERY,

BUTCHERS' AND COOKS' KNIVES,

WHICH WE

FURNISH AT MANUFACTURERS' PRICES.

FOR DESCRIPTION SEE FOLLOWING PAGES.

## Table Cutlery.

### IRON HANDLES.

These Blades are of the best Cast Steel, the Handles cast on, welding them as firmly as if both were made from one piece of steel. The Handles are coated with French Rubber Enamel (which hot water cannot affect), not with common Asphaltum Blacking. It is the only durable cheap Knife in the market. All Forks are made from the best Cast Steel.
